Every person is defined by the communities they belong to.

– Orson Scott Card

2021

Bringing Our Community Together

Nearly two years ago, the COVID-19 pandemic began spreading across the world affecting life as we knew it. As Racine's only free and charitable clinic, Health Care Network has made amazing strides at connecting the community through health awareness, advancing patient programming, and advocating for vaccinations.

This year, HCN joined Project Finish Line, an initiative by Sostento with the mission of providing one million hard-to-reach unvaccinated individuals with access to the vaccine. To date, HCN has hosted 51 vaccination clinics both at its clinic location and throughout the Racine community. Through diligent efforts, HCN has provided more than 650 vaccinations to individuals in need. We continue on this journey.

HCN would like to extend a thank you to all of the incredible people who have made these efforts possible. Thank you to Sostento and the Wisconsin Association of Free and Charitable Clinics for helping to coordinate our efforts, our friends at the City of Racine, Ascension, and AMI for distributing and administering the vaccines, our amazing staff and volunteers for operating and monitoring the vaccination clinics, and our esteemed donors for making all of this possible.

A LOOK BACK AT THIS YEAR...

Executive Director Alison Sergio was named UW-Parkside's 2020 Community Based Learning Partner of the Year! Congratulations, Alison!

Last December, HCN hosted their first official Dining Days fundraising event. Thank you to Charcoal Grill, Joey's Yardarm, and Mike and Angelo's for donating portions of their proceeds to our organization!

In February, our Hearts for HCN fundraiser was a great success! Thank you to all who participated and to O&H Danish Bakery for donating a portion of their profits!

HCN held their annual board meeting at Social on Sixth, a perfect venue to celebrate Health Care Network's successful year!

HCN's chronic disease programs were awarded the Silver Award for the American Heart Association's Target: BP program and the Gold Award for AHA's Target: Type 2 Diabetes program. Thank you to our team of chronic disease management specialists!

HCN adopted the HUB Model through a partnership with UniteWI, the lead agency that manages chronic disease patients in Milwaukee. This partnership provides a case manager to coordinate the care of HCN's chronic disease patients.

In April, ED Alison was part of a virtual presentation through UW-Parkside about how COVID-19 has impacted communities of color.

Dr. Little celebrated his 100th birthday and retired as Medical Director of HCN! Congratulations on your many accomplishments!

We were thrilled to welcome Dr. Akgulian as our new Medical Director to oversee clinic operations.

Thank you to the Racine Community Foundation for granting HCN \$10,000 to support the pharmaceutical program.

In April, HCN's dental clinic upgraded to Curve Dental EMR. We are so grateful to have a system that improves our efficiency and patient management!

Executive Director Alison was part of a virtual presentation for Aurora Health Care's Burlington/Lakeland Market Community Steering Committee. The panel discussion focused on the return to primary care as the needs of the pandemic begin to ease.

Alison also participated in Ascension's Connect to Purpose virtual meeting to highlight the partnership and impacts that Ascension has in our community. We are incredibly grateful for their partnership throughout the years!

Thank you to SC Johnson for donating \$20,000 to HCN during their 20 Days of Giving Celebration.

Through partnerships with Vaccinate Racine, HCN has been able to vaccinate many individuals in need against COVID-19.

HCN was awarded \$100,000 from Wisconsin DHS to support our Social Services program.

HCN launched a Self Monitoring Blood Pressure program to help make hypertension patient-physician interactions more effective. Patients get to meet with a hypertension educator, learn more about blood pressure, and self-take their blood pressures from home prior to their medical appointments.

HCN's Saturday in the Park fundraiser was a great success!

July 13th, 2021 was officially proclaimed 'Dr. William J. Little Jr. Day', by County Executive Jonathan Delagrave!

Congratulations to John and Margaret Rooney, who were recently married and suggested wedding gifts to Health Care Network in honor of John's mother, Nurse Nancy! Best wishes for health and happiness!

Changing Medical Directors

Thank you, Dr. Little, for your many years of service.

This year, Dr. Little retired as the Medical Director at Health Care Network. He has been an absolute inspiration to each and every one of our patients since the inception of this organization in 1987. On July 13th, 2021, the City of Racine officially recognized Dr. Little's incredible efforts by naming July 13th 'Dr. William J. Little Jr. Day'. He also recently celebrated his 100th birthday...happiest birthday to you! We are lucky to have this hero!

Welcome, Dr. Akgulian! We are excited to have you!

To welcome Dr. Akgulian to his new position as HCN's Medical Director, we asked him a few questions about his charitable practice. Here are his thoughts...

"What I've always admired and enjoyed about HCN, and what has kept me coming back through the years, is the chance to work alongside a team who are dedicated and compassionate about providing care to the underserved. I am honored and excited to continue being of service as the clinic's medical director. Additionally, it is a great privilege (being asked) to succeed Dr. Little, who has dedicated himself tirelessly over many years, serving the clinic and its patients."

HCN's mission to provide quality medical care to the underserved is vital to the well being of these individuals, but also necessary in contributing to the well being of the entire community. I look forward to being part of HCN as it continues to address these important objectives."

We are pleased to have you serving our mission, Dr. Akgulian!

Shoutout to Waterford

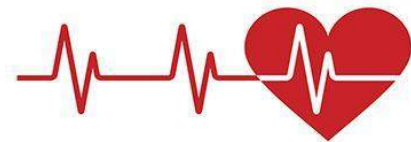

HCN's satellite-clinic, located inside the Aurora Health Center at 818 Forrest Lane in Waterford, provides medical services to patients living in western Racine County.

Without our satellite clinic, many patients would fall through the healthcare gap due to a lack of transportation to appointments, support systems, or time to travel all the way to the city.

In Waterford, our fantastic staff member Vickie, along side the incredible physicians and interpreters, provide the highest quality of care to those living throughout the western end of Racine County. With their bright smiles and healthcare expertise, western Racine County is in good

WELCOMING NEW PROGRAMS

UBER Health

This year, HCN was proud to start many new programs and initiatives in response to patient and community need. To accomplish this, we have partnered with:

- Sostento, Uber Health, and the City of Racine to help vaccinate our community
- The American Heart Association to implement a Self-Monitored Blood Pressure program, in which patients are taught the importance of maintaining a normal blood pressure range and can monitor their blood pressure readings from home
- UniteWI's HUB model, allowing HCN access to a social worker that can help manage and coordinate patient care
- WAFCC to provide telehealth services through Updox, which allows patients to access medical care using technology from the safety of their homes.

Together, these new programs provide exciting changes for the organization that help improve patient outcomes, efficiency, and organization effectiveness.

Saturday in the Park

Beautiful weather, delicious food, amazing entertainment, the good company of friends, family, and community members, AND the perfect location! Health Care Network's Saturday in the Park event made for a great night and was a stunning success! Thank you to all who contributed to this event, and a special thank you to our many sponsors!

We are proud to report this event raised

\$40,083

Health Care Network!

HCN's fundraising events are essential for providing the operating funds needed to launch and maintain the programs and services offered to the low income, uninsured residents of Racine County. The many events HCN has hosted throughout the years have only run smoothly because of the magical combination of dedicated volunteers, committed staff members, and generous donors. Whether or not you were able to attend, thank you so much for supporting our mission. I hope you know how very appreciated you are!

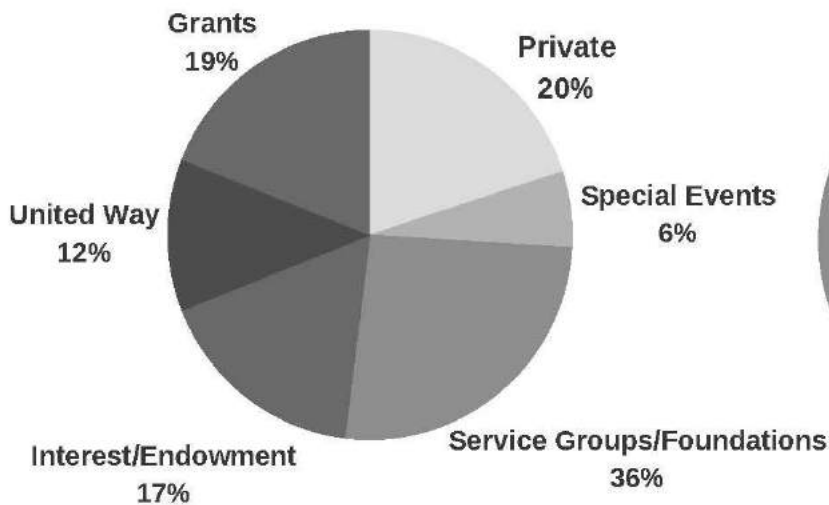

A very special thank you to: our Friends, Supporters, Advocates, and Patrons level sponsors; The Franksville Craft Beer Garden; Betsy Ade & The Well Known Strangers; Michael's Signs; and our anonymous Champion level sponsor.

Health Care Network Annual Report 2020-2021

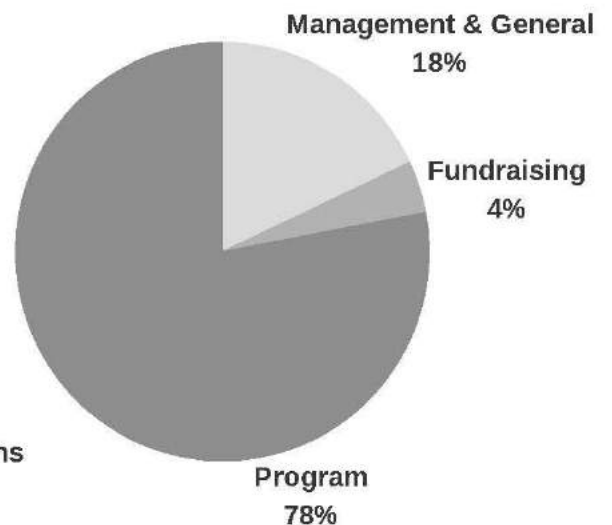

The need for safety net services continues to be front and center as the worldwide pandemic rages on. As is our mission, Health Care Network is committed to providing care for those most vulnerable across Racine County. During the 2020-2021 fiscal year, a total of 6,862 appointments were scheduled and patients were assisted in obtaining 2,011 prescriptions. This care is valued at more than \$1.38 million and is made possible by the generosity of the Racine community.

Since opening its doors, Health Care Network has helped patients obtain more than 97,000 prescriptions and has scheduled over 232,000 appointments, representing a value of \$50 million.

COMMUNITY

In addition to monitoring patient improvements, Health Care Network takes into account how the program has improved the community at large. Our programs emphasize the integration of healthy lifestyle habits into a patient's everyday routine and to develop measurable skills in safety and health.

79% of diabetic and hypertensive patients maintained or improved fasting blood sugar/glycohemoglobin levels and/or blood pressure readings

72% of all dental patients demonstrated acceptable prophylactic oral care as evidenced by the oral health exam.

\$5 of medical and dental services are provided for every \$1 in donations

1.38 Million in services and medications provided during the 2020-2021 fiscal year.

Health Care Network is pleased to be able to continuously provide free and low-cost services to the uninsured members of our community. It is thanks to the generosity of our donors and volunteers that we may continue our mission for many years to come.

Those We Remember...

Over the past year, our community mourned the loss of members whose families designated Health Care Network as a memorial site. We are grateful to the families of those who have passed who, during their time of grief, have chosen to contribute to the future of Health Care Network through generous financial support in memory of their loved ones.

Remembering Dr. Jerry Oksiuta

As seen in the Racine Journal Times:

“There are few people who have had such an impact on a community as Dr. Jerry Oksiuta. He has treated generations of children and people with special needs in Racine. He touched so many lives in his 37 years of practice at Racine Dental Group. He will be remembered for his easy smile and friendly voice, which made going to the dentist as a child a fun experience. He will also be remembered for his incredible kindness and generosity.”

Dr. Jerry was a big supporter of the Racine and Southeastern Wisconsin community as a frequent volunteer and benefactor to many community outreach programs and organizations including Kids a Smile day and Health Care Network of Racine, to name a few. He also dedicated his time to Marquette University School of Dentistry as an adjunct professor, teaching dental students in the clinics and inspiring them to love dentistry as much as he did. The outpouring of sympathy and appreciation from patients has been overwhelming.”

Dr. Jerry Oksiuta, you are dearly missed by the Health Care Network family. We thank you for your endless altruism, generosity, and love of dentistry. Thank you for your many years of service.

Leave your mark on the future...

Through Planned Giving with HCN.

Do you want to make a significant gift that will transform the work of Health Care Network for years to come? One way to have a lasting impact on the future of our mission is with a legacy gift in your will.

A legacy gift.....

- ◆ Costs you nothing during your lifetime.
- ◆ Preserves your savings and cash flow.
- ◆ Can be changed or revoked as needed.
- ◆ Allows you to be far more generous than you ever thought possible.
- ◆ Is easy to arrange. A simple paragraph added to your will is all it takes.

Make a gift that lasts longer.

Include a gift to Health Care Network in your will.

Name Health Care Network as a beneficiary of a trust, retirement plan, insurance policy, or bank account.

Contact us for more information.
info@healthcarenetwork.org

* Deceased since donation made.

** Located within the Racine
Community Foundation.

Thank You

Help us Stretch our Budget!

Sign up for our email updates and receive our annual newsletter electronically.

Email Regina at hcn@healthcarenetwork.org and ask to receive your newsletter through email. It will help us save on printing costs.

Please Take Note

To save our precious funds, our newsletter is prepared internally over a several week period and we utilize bulk mailing rates to further stretch our dollars. Therefore there is a lag between the time our newsletter is completed and it is received in your mailbox. This means that donations received during this time are not able to be acknowledged in the current issue. They will be included in our next issue. Please note the time period this newsletter covers is **November 21, 2020 - October 31, 2021**. If we have missed you, please call Regina at 262-632-2400. Our donors are very important to us.
